Diagram illustrating a network structure with 26 numbered nodes (circles) and various rectangular blocks representing connections or data points. The nodes are arranged in a grid-like fashion, and the connections are represented by lines and rectangular blocks containing text and numbers.

The diagram is divided into several sections by vertical lines. The top section contains nodes 1 through 5. The middle section contains nodes 6 through 10. The bottom section contains nodes 11 through 26.

The connections are as follows:

- Node 1 connects to a block containing "Mia Oertz" and "13".
- Node 2 connects to a block containing "13" and "Mia Oertz".
- Node 3 connects to a block containing "11" and "Lana Mergelmeyer".
- Node 4 connects to a block containing "14" and "Hannah Debelius".
- Node 5 connects to a block containing "15" and "Johanna Schrey".
- Node 6 connects to a block containing "15" and "Johanna Schrey".
- Node 7 connects to a block containing "9" and "M. Kartuszynski".
- Node 8 connects to a block containing "16" and "Finja Kaschewitz".
- Node 9 connects to a block containing "16" and "Finja Kaschewitz".
- Node 10 connects to a block containing "20" and "Finja Kaschewitz".
- Node 11 connects to a block containing "17" and "Mia Oertz".
- Node 12 connects to a block containing "18" and "Hannah Debelius".
- Node 13 connects to a block containing "23" and "Mia Oertz".
- Node 14 connects to a block containing "23" and "Mia Oertz".
